

Dear Future Sponsor of Providence Academy,

The Providence administration and board are now seeking contributions from local businesses not only to help underwrite the Skate-a-Thon, but to also help us raise funds, which are earmarked for new building construction.

Would you join our supporting donors and sponsors in helping to make a difference for Providence students, teachers, and local families waiting for space to attend our school?

Sponsorship levels are listed below. Should your business be unable to make a monetary donation at this time, please consider donating a tangible item or gift cards. These contributions will go towards our student fundraising prizes and daily drawings.

As a reminder - Providence Academy is a not-for-profit, tax exempt 501(c)3 corporation, and your donation is 100% tax deductible. Please return donations no later than March 5, 2024.
